

SchoolNet/MCOECN Summer Tech Share

Attention: Technology Coordinators

Announcing this summer's Ohio K-12 Technology Coordinators Summit: Tech Share-Hope is Not a Strategy

Ohio SchoolNet, in cooperation with the MCOECN, is pleased to announce professional development designed, developed, and delivered by some of the best technology coordinators in the state of Ohio. Learn strategies to address daily issues tech coordinators face. Network with Ohio's finest K-12 educational technology minds.

Plan to attend the K-12 Technology Coordinators Summit. Mark your calendars for Tuesday, June 24, and Wednesday, June 25, or Tuesday, August 5, and Wednesday, August 6, 2003. Sessions will cover topics such as Open Source Software for My District, Mac Xserve, Building a Linux Server, Windows XP, Web Page Database Development, Novell Topics, Server 2000, Network Security, Apache Web Server, MySQL, PHP, iMovie, Video Streaming, Wireless Learning Environments, and many other requested topics.

This premiere event will take place at the Quest Business Center in Columbus, Ohio. The June curriculum will be repeated in August. There is no charge for this training and college credit is available. Registration will be limited to 200 seats. The primary audience for this summit is the practicing K-12 technology coordinator. If you have any questions, please contact Gene Lloyd lloyd@osn.state.oh.us, Joe Rutter rutter@osn.state.oh.us or Rhonda Cunningham cunningham@osn.state.oh.us
